PARENT AND STUDENT AGREEMENT

In making application or registering for enrollment at DPCA, and following the enrollment of my (our) child(ren) in the school, I(we) understand and agree that:

1. DPCA is a private religious organization, and approval for initial or continuing enrollment is at the sole discretion of the DPCA administration. Approval for enrollment means that in the best judgement of personnel involved in the admissions process, the school community and academic services are an appropriate fit for my(our) child(ren). The privilege of enrollment may be withdrawn if, in the best judgment of school staff, the school is not able to provide the levels of academic, emotional, community, behavioral, or spiritual support needed by my (our) child(ren). Enrollment may be granted on a probationary basis for no fixed time period when fit between student and school appears uncertain, but both parents and school personnel agree to a probationary period. The probationary period will be documented; all parties concerned will evaluate the wisdom of continuing enrollment following the probationary period. I(We) agree that final decision regarding continuing enrollment always rests with school administration.
2. I(We) will support and uphold the school staff and the religious mission, intent, policies, rules, and requirements of Darren Patterson Christian Academy. I(We) understand that the privilege of enrollment may be withdrawn if the student(s) or parent(s) are no longer supportive of the school's mission, intent, policies, rules, or requirements. I(we) acknowledge that a copy of the *Parent-Student Handbook* is available in either print form through the school office; or in digital form through the school website at www.dpcaweb.org; and that I(we) have had opportunity to read the *Handbook* and are supportive of the school's religious mission, intent, policies, rules, and requirements described therein. I(We) further agree that we have had sufficient opportunity to ask questions or receive clarification regarding any school policies about which I(we) felt uncertain, and that both my(our) signature(s) below, and my(our) enrollment of my(our) child(ren) at DPCA, indicate our wholehearted support for the school, the school staff, and the religious mission, intent, policies, rules, and requirements of DPCA.
3. No guarantee of continuing enrollment during a school year or from year-to-year is implied or conferred. I(We) agree that continuing enrollment is approved when school personnel agree that the environment and level of services provided by the school are appropriate to and helpful for the student; and when sufficient evidence of continued parental and student support is apparent. I(We) acknowledge and agree that the school's disciplinary process for students includes provision for suspension and expulsion should school administration decide that the behavior being addressed warrants such action, or in the event that I(we) can no longer be supportive of school personnel or school policy following disciplinary or any other action.
4. I(We) have authorized the persons listed as emergency caregivers for my child(ren) in the event I(we) cannot be reached.
5. DPCA has my(our) permission in perpetuity to use photographs, rendered likenesses, videos, or other images of my child(ren), or quotations written or spoken by my child(ren) in any and all DPCA promotional materials and school publications, including digital publications such as websites and social media accounts which the school directly manages.
6. I(We) agree that we will honor the terms and condition of my(our) tuition payment agreement, and that non-payment of funds owed to the school under that agreement is grounds for suspension or termination of my child(ren)'s enrollment privileges. I(We) further agree that DPCA has the right to pursue collection of unpaid balances by any and all legal means. I (We) agree that any financial aid received is on a school-year basis, and that no guarantee of ongoing financial aid from year-to-year is conferred or implied. I(We) agree that the family registration deposit is non-refundable, and that other tuition and fee charges may or may not be refundable according to conditions spelled out in the *Parent-Student Handbook*.
7. I(We) agree to be bound by the terms and conditions of DPCA's grievance policy for the resolution of any and all disputes. I(We) further agree to be bound by the DPCA Arbitration and Conciliation Agreement in the event a dispute with the school cannot be otherwise resolved, and agree that this Arbitration and Conciliation Agreement shall be the sole remedy for any controversy or claim arising from my relationship with the school. My(Our) signature(s) below, and my(our) decision to enroll my(our) student(s) at DPCA are witness that I(we) have received a copy of the Arbitration and Conciliation Agreement (available at the school office) and of the grievance policy (found in the *Parent-Student Handbook*). I(We) further agree that by the action of signing this agreement, and by virtue of agreeing to enroll my (our) child(ren) at DPCA, I am (we are) expressly and intentionally waiving my(our) right to file any lawsuit against the school or against any school employees, board members, or volunteers in any court concerning any dispute or controversy, regardless of claim or alleged fault.
8. I(We) acknowledge and agree that if any element of this agreement is judged unenforceable in any court of law, each and all of the remaining elements remain in full force and effect.

- **I(We) have read this agreement carefully and indicate by my(our) signature(s) below my(our) affirmation and agreement to all the provisions and statements noted herein.**
